RE: MOBILE MUSIC – MICHELE BREMER

I have had the privilege of using Michele's services in two recent functions this year, one being a birthday in August and the other a 50th wedding anniversary celebration in November.

On both occasions there was a wide age range of guests with diverse musical tastes and Michelle was able to entertain all concerned by playing an extensive selection of music from the good old favourites to the modern hits. Everyone had a wonderful time and I have had nothing but complimentary remarks from the guests.

I can strongly recommend her for any function, be it corporate or a private celebration. She is prompt, efficient and has a great selection of music as well as outstanding sound equipment. It has been a pleasure dealing with her.
