Testimonial To A Great Music Host

I have had the pleasure of working closely with Michele at numerous functions, be they multi cultural Conferences, Weddings, 21st Birthday Celebrations or 50th Wedding Anniversaries.

These functions have taken place at a variety of Venues; Hospitality Suites at Absa Park, The Durban Country Club, The Royal Hotel Durban, or Beach Weddings in finely adorned marquees generally catering for 150 guests, or indeed Game Lodge Conference Centres.

I have to say that as an outsider where my only function is that of assisting in the set up of equipment for Michele, I often find myself sitting on the sidelines as it were, watching as these events unfold. Michele is distinct in that her perceptiveness is evident from the first dance. Adapting to the whims of wedding guests for example, Michele is able to get the dance floor going and keeps it going whether catering for the Bride and Grooms close friends or the Parents and Grandparents, or Aunts and Uncles she makes sure that all genres and era's are well taken care of. Michele has the ability to turn a wedding into a memorable occasion, this becomes more evident when one witnesses the family and guests offering there thanks personally to Michele as and when they leave for the night.
