

To Whom It May Concern

My husband and I were married in June 2007 on the Beach in Rocky Bay. There were a lot of important decisions to be made, but top of our list was our DJ. We have been to many functions and know that your DJ can make or break your party! Luckily for us, we found Michele.

Due to a lack of time before the wedding, we only met Michele personally once we were already married. She was such a pleasure to deal with as she did not need us to do anything. She was so organized and professional, which took so much pressure off of us and allowed my husband and I to enjoy our special day.

Due to her large music collection and knowledge of music, Michele was able to play every song that was requested by our selves and our guests. The dance floor was full the entire night! She read the crowd incredibly well, and with 140 guests, in terms of music, that is not an easy task.

With her choice of music and extra sound effects during speeches, Michele enhanced the 'wedding experience' for every person present and provided non-stop entertainment! It has been a few months since our wedding and people are still talking about what a fantastic party our wedding was!

I can highly recommend Michele and guarantee that she will keep the guests satisfied at any function!
